connecting artists with collectors for over 25 years

# SOCIAL MEDIA REPORT

*Prepared for*

---

## LUDWIG MANNHALTER

---

As part of our promotional efforts, your work was presented to a wide and diverse audience using multiple communication channels. From online to print, our ever-growing presence enables us to showcase your work to collectors, galleries, museums, and other artists. Below, you will find the results of our promotional efforts leading up to and during your exhibition.

facebook

Facebook is the most popular and diverse social media platform on the planet. With over 1.4 billion active users a month, the possibilities of reaching new audiences are limitless.

## ★ Posts Featuring Your Art and Exhibition
